### **DETAILED ACTION**

Receipt of applicants' amendments and remarks submitted May 4, 2005 is acknowledged.

The amendments and remarks are persuasive to overcome the rejections set forth in the prior office actions.

#### ***Claim Objections***

1. Claims 3, 16, 19 are objected to under 37 CFR 1.75(c), as being of improper dependent form for failing to further limit the subject matter of a previous claim. Applicant is required to cancel the claim(s), or amend the claim(s) to place the claim(s) in proper dependent form, or rewrite the claim(s) in independent form. The claims recite further comprising hydrophilic waxes. The limitation is in the base claims 1, 12, and 17. Further, claims 3 and 19 are duplicate claims of claims 2 and 18 respectively.
2. Claim 19 is objected to because of the following informalities: "hydrophibic" in line 2 should be "hydrophilic". Appropriate correction is required.
3. Claims 4 and 20 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

#### ***Claim Rejections 35 U.S.C. 112***

4. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Art Unit: 1617

5. Claims 3, 4, 16, and 19-20 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claims 3, 16 and 19 recite further comprising “hydrophilic waxes.” It is not clear whether the “hydrophilic waxes” herein are the same to those recited in the base claims, or are “hydrophilic waxes” other than those recited in the base claims. The claims are indefinite as to the “hydrophilic waxes” encompassed thereby.

6. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
